

## SUNDE TECHNOLOGIES IS ATTENDING CeBIT 2014

10<sup>th</sup>-14<sup>th</sup> MARCH 2014, Hannover, Germany

### The Eyes Of The ICT World Will Be On The UK At Cebit 2014

SUNDE Technologies are proud and excited to announce that we will be part of the 2014 CeBIT trade fair. Following the announcement that for the first time the UK will act as partner country for the event, we see this as a great endorsement of the UK's growth within the ICT market.

**We'll be there: Hall 6 Stand C44**

CeBIT

**SUNDE**® Technologies Ltd 10-14 March 2014 | Hannover | Germany

With its clear **focus on business** and its **perfect combination of IT trade show and conference and networking**, CeBIT is the ideal platform for SUNDE Technologies to showcase its product range in front of lead decision-makers.

We will be launching our new brand, NetFlux S100 Zero Client, a revolutionary alternative to the traditional PC or thin client. Designed to simplify large scale computer deployments and central management, NetFlux will help you reduce the cost of acquisition, deployment, maintenance and management of your infrastructure.

*Simple, Affordable, Sustainable, Energy Efficient, and a Complete Computing Solution.*

We would like to invite you to visit us at CeBIT 2014.

At CeBIT you'll get inspiration for 2014 from **top speakers** and the opportunity to discuss **international market trends** such as **big data, social media, Zero Client, VDI, cloud computing and mobile access**.

Invest in your network and meet new contacts at CeBIT 2014!
